ABOUT THE EVENT

The 4th Annual Clinical Trial Venture, Innovation & Partnering Conference brings together senior-level investors, corporate executives, entrepreneurs, and start-up leaders from the clinical trials space. This high-level event consists of thought-provoking, industry-led panels, fireside chats, and numerous networking opportunities for CEOs, investors, and potential acquirers to foster meaningful connections. You are invited to join us at this conference, focused on venture and innovation, to acquire valuable strategic insights, honest perspectives, and practical business recommendations for collaboration and investment. Additionally, you will have the opportunity to explore the exhibit hall and connect with both emerging and established companies in this field, enabling you to grasp the direction the industry is heading.
