## Event-at-a-Glance

### Monday, February 12 PM

Make Space for Innovation: Trifecta InvestigatorSpace® User Forum
*Invitation only*
12:00 pm – 5:00 pm

Pre-Conference User Group Meetings & Hosted Workshops
*opportunities available*
2:30 pm – 5:00 pm

Pharma Intelligence Citeline Launch Celebration
2:30 - 5:00 pm

**SCOPE’s Kick-Off Networking Happy Hour**
on the Garden Terrace
6:30 pm – 8:30 pm

### Tuesday, February 13 AM & PM

**SITE ACTIVATION**

- Conference 1A
  - Protocol Development, Global Site Selection, Feasibility and Site Management

**RECRUITMENT**

- Conference 2A
  - Enrollment Planning and Patient Recruitment

**BUDGETING & MGMT**

- Conference 3A
  - Clinical Trial Forecasting, Budgeting and Contracting

**OUTSOURCING**

- Conference 4A
  - Mastering an Outsourcing Strategy

**MONITORING**

- Conference 5A
  - Implementing Risk-Based Monitoring - Part 1

**DATA**

- Conference 6A
  - Clinical Data Strategy and Analytics

**TECHNOLOGY**

- Conference 7A
  - Sensors, Wearables and Digital Biomarkers in Clinical Trials

**REAL WORLD EVIDENCE**

- Conference 8A
  - Late Stage Research and Observational Studies

**BIOSPECIMEN & CLINICAL SUPPLY**

- Conference 9A
  - Biospecimen, Central Lab and Technology for Precision Medicine Trials

### Wednesday, February 14 AM

- Conference 1B
  - Improving Site-Study Activation and Performance

- Conference 2B
  - Patient Engagement, Enrollment and Retention through Communities and Technology

- Conference 3B
  - Resource Management and Capacity Planning for Clinical Trials

- Conference 4B
  - Managing Outsourced Clinical Trials

- Conference 5B
  - Implementing Risk-Based Monitoring - Part 2

### Thursday, February 15 AM & PM

- Conference 1B
  - Improving Site-Study Activation and Performance

- Conference 2B
  - Patient Engagement, Enrollment and Retention through Communities and Technology

- Conference 3B
  - Resource Management and Capacity Planning for Clinical Trials

- Conference 4B
  - Managing Outsourced Clinical Trials

- Conference 5B
  - Implementing Risk-Based Monitoring - Part 2

- Conference 6B
  - Artificial Intelligence in Clinical Research

- Conference 7B
  - Clinical Technology and Innovation

- Conference 8B
  - Leveraging Real World Data for Clinical and Observational Research

- Conference 9B
  - Clinical Supply Management
